AMERICAN LANDSCAPING
Anchorage, Alaska

Re: Municipality of Anchorage-contractor questionnaire, OSHA Question #3 explanation

In October of 2019, American Landscaping received a citation for failure to communicate an asbestos hazard when a co-tenant of the property located at 6151 A Street in Anchorage, Ak, performed an unauthorized, self improvement to their portion of the building. The property is owned by Laona, LLC and is leased to several tenants. The tenant performed satisfactory mitigation and abatement to the surfaces. American Landscaping chose to negotiate a settlement with AKOSH and the fine has been paid in full. This violation was not associated with American Landscaping's construction activities.
