RESPONSES TO BIDDERS' QUESTIONS:

Question 1: Has the exterior paint been tested for lead-based paint?

Response 1: No.

Question 2: The plans state to prep surfaces. There are many years of paint in some areas. Strip all paint to bare wood? Or leave existing paint and just pressure wash thoroughly?

Response 2: Intent is to prep and paint existing wood substrates. Any paint that is in good condition and well adhered can be maintained. Intent is not to take all wood finish down to bare wood, just those areas that require it.
