RESPONSES TO BIDDERS' QUESTIONS:

1. **Question:** Per addendum #1 answer to question #1 it is stated that the slats pricing is to be based on LF of fence. This cost will vary between 4', 6', and 8' tall fence. It is not cost effective to provide one price for all heights of fence. We recommend making this bid item per SQ/FT. This will cover both MOA and the contractor so costs are correctly reflected for different heights of fence.

Response:

Fences listed as 4', 6', 8' will be priced with square foot (SQ/FT).

Where any requirements of the Invitation to Bid conflict with an item in an Addendum, the Addendum shall govern. All other terms and conditions of the Invitation to Bid shall remain unchanged and in full force and effect.
