RE: Rejection of Bids in Response to Invitation to Bid 2022B061 Provide PCT Line Cleaning Fuel

Invitation to Bid (ITB) Number 2022B061 was issued on October 11, 2022. The ITB requested bids for Strainer Installation, Fuel Sweep & Soak Test, Fuel Testing & Tank Gauging at the PCT.

Per Municipal Code 7.20.040 Procedures for Award:

A.3 - "If the mayor or assembly determines that it is in the best interest of the municipality to do so, the municipality may reject all bids."

C. - "If the lowest responsive and responsible bid exceeds the amount of funds certified by the chief fiscal officer to be available for the procurement, and if sufficient additional funds are not made available, the scope of the procurement may be reduced to bring its estimated cost within the amount of available funds. The purchasing officer shall issue a new invitation for bids for the reduced procurement..."

The sole bidder requested additional conditions outside the scope of the ITB and since negotiations on ITBs are not allowed all bids are hereby rejected. The solicitation will be modified and reissued.

Sincerely,

Rachelle A. Alger
