QUESTIONS & ANSWERS

ITB #2023B010

Addendum #1, dated February 6, 2023

1. *Q: I am writing to ask about the supporting proof/evidence of meeting the requirements outlined in the ITB. In the "Submission Requirements" section there is a list of items the buyer must show/provide. My question is: do I submit the proof of each of those requirements WITH the bid packet or will that be collected separately?*

A: The only documents required to be submitted with your bid are those listed on page five of the ITB, listed under part II of the Bidder's Check List: Required Documents For Bid. Any additional documents required will be requested after a contractor has been selected for potential award.
