15. If more than one bid is offered by any one party for the same product, by or in the name of his clerk, partner, or other person, all such bids will be rejected. A party who has quoted prices to a bidder is not thereby disqualified from quoting prices to other bidders, or from submitting a bid directly for the work.
16. The MOA may reject any unbalanced bid if it is in the best interest of the MOA. A bid is considered unbalanced, when in the opinion of the Purchasing Director, the bid allocates a disproportionate share of costs to one or more bid items and reduces the costs of another bid item or items, and if there is a reasonable possibility that the bid will not result in the lowest overall cost to the MOA.
17. When the Bidding Documents contain a basic bid and additive alternates, the low Bidder will be determined by the lowest combination of the basic bid and as many additive alternates as may be chosen in the order listed in the Bid. The Purchasing Director may bypass any additive alternate whose selection would cause the Contract to exceed the funds available.
18. The Purchasing Director will use the list of priorities in the bid schedule to determine the low bidder only. After determining the low bidder, an award may be made on any combination of the bid items provided: (1) it is in the best interest of the MOA; (2) funds are available at the time of award; and (3) the low bidder's price for the combination to be awarded is less than the price offered by any other responsive, responsible bidder.
19. The MOA standard payment terms are NET 30. Bidders may offer discounts for prompt payment. The minimum prompt payment terms acceptable to the MOA is 1% and net 15 days. Prompt payment terms will be utilized to determine final net price offered. Any prompt payment terms lower than 1% and net 15 will result in payment terms of NET 30. If bid includes prompt payment terms, bidder will include payment terms on the Bid Proposal Page. **NOTE: The prompt payment period will commence upon receipt and acceptance of the supply/service or receipt of a valid invoice; whichever occurs last.**
