REQUEST FOR PROPOSAL

RFP 2022P047

Provide Professional GIS Services

ADDENDUM NO. 1

Please make the following changes to the subject project.

- 1. Questions and Answers**
- 2. CHANGE: Due 5:00 P.M. Local Time, October 21, 2022**

Where any requirements of the Request for Proposal conflict with an item in an Addendum, the Addendum shall govern.

All other terms and conditions of the Request for Proposal shall remain unchanged and in full force and effect.

This addendum and other documents related to this project are available by visiting the Purchasing office website at:

<http://www.muni.org/Departments/purchasing/Pages/bidding.aspx>

If you have previously submitted a response to this project and wish to have it returned, please email that request to wwwpur@muni.org

All other terms and conditions remain unchanged.

Sincerely,

Chris Hunter

Chris Hunter
Deputy Purchasing Director

Questions and Answers:

1. Are there incumbents filling these roles today?

Yes

2. Will on-site work be required? If so, how much (general percentage)?

It is anticipated that most work will be able to be performed off-site if needed. There is no on-site requirement.

3. Is it GDIC's intent that we use the # of hours listed in the table for the Cost Worksheet?

Yes

4. On the cost worksheet, does the word 'minimal' apply to both the spatial ETL scripting and the development of field apps?

Yes

5. Is there a vendor that is currently providing or has previously provided these services?

Yes

6. Is there anticipated on-site support envisioned for this project?

Possibly, but it is not a requirement that a contractor be able to provide onsite services.

7. What is the budget for this project?

The contract is for up to \$250,000 per year (between both selected contractors), however, it is not likely that the annual contract amounts (between both selected contractors) will exceed \$160,000.
