QUESTIONS & ANSWERS

RFQ #2022Q043 Addendum #1, dated November 16, 2022

1. **Question:** Could you elaborate if the light combo you are looking for is that exact model? A certain brightness? Etc. We will do our best to match the light model requested, however given the supply chain abnormalities over the past few years we may not be able to obtain that exact model and more specifications would allow us to find suitable alternatives.

Answer: We are looking to procure either the exact manufacturer / model as listed in the specifications (NiteRider Swift 500 Front / Sabre 110 Rear Bike Light Sets) or equal competitive product.

Front Light – Lumen Output: 500

USB Rechargeable

Water / Dust Resistant

Multiple Modes

Rear Light – Lumen Output: 110

USB Rechargeable

Water / Dust Resistant

Multiple Modes
