

Mayor Suzanne LaFrance
Municipality of Anchorage
-- Purchasing Department --

June 2, 2026
REQUEST FOR PROPOSAL
RFP 2026P026

**Project Management & Engineering Department
Ruane Road Culvert Replacement**

The Municipality of Anchorage is an equal opportunity employer.

Enclosed is pertinent information for use in preparing your proposal.

Pre-Proposal Conference:	2:00PM Local Time, June 17, 2026
Site Visit:	N/A
Questions Due:	12PM Local Time, June 19, 2026
Proposals Due:	12PM Local Time, July 2, 2026

Electronic Submission through BidExpress at [Bid Express :: Municipality of Anchorage](#) or submission through Sealed Envelope with ONE SIGNED ORIGINAL, single sided, unbound, of your proposal and, a flash-drive containing a PDF copy of the complete proposal, including attachments must also be provided.

If applicable, the phone number to call into the Pre-Bid Conferences is 907-343-6089. Conference lines are opened 5 minutes prior to the Pre-Bid Conference times. To attend meetings in person, you may do so at 632 W. 6th Avenue, Suite 520, Anchorage, AK 99501. FOR AUXILIARY AIDS, SERVICES, OR SPECIAL MODIFICATIONS TO PARTICIPATE PLEASE CONTACT THE PURCHASING DEPARTMENT TO REQUEST REASONABLE ACCOMMODATIONS AT 907-343-4590; OR wwpur@muni.org

For further information contact Purchasing at (907) 343-4590 or email wwpur@muni.org. All correspondence should include the RFP number and title.

The Municipality of Anchorage reserves the right to reject any and all proposals and to waive any informalities in procedures.

Sincerely,

Melanie A Clark

Melanie A. Clark
Senior Construction Buyer

Purchasing

MUNICIPALITY OF ANCHORAGE

The Municipality of Anchorage Purchasing Department is pleased to announce that we will begin using the Bid Express® service at www.bidexpress.com.

Electronic submission for Invitations to Bid and Requests for Quote are being accepted as of September 1, 2024, with Requests for Proposal, Requests for Grant Proposal, and Construction Invitations to Bid expected to be accepted by January 1, 2025.

Electronic bid submission:

- **allows for digitally-signed bids**
- **eliminates costs for delivery of bid packages**
- **provides error checking and alerts to omissions before submission**
- **easily accommodates last-minute changes and price cuts**
- **automates email notifications to alert vendors of solicitation postings and solicitation changes**

If you are not a current user, please register for a free vendor account to reference the Municipality of Anchorage's upcoming advertisements.

For more information about the service, please refer to the Bid Express service's Knowledge Center [here](#) to get started.

For technical assistance, please call the service's Customer Success team at 888-352-2439, available Monday - Friday from 7:00 am – 8:00 pm (EST). You can also email them at bidexpress.support@infotechinc.com.

Additional information and notices of solicitation opportunities will be posted on the Purchasing webpage at Muni.org.

Section 4 - Proposal and Submission Requirements

Section 5 - Evaluation Criteria and Process

Section 6 - Selection Process

Section 7 - Sample Contract

Section 8 – Attachments

1.0 GENERAL INFORMATION

1.1 Purpose

PM&E is soliciting proposals from qualified consultants to provide architectural/engineering services for the **Ruane Road Culvert Replacement** project.

PM&E intends to award one (1) contract for architectural/engineering services for the subject project. The expected period of performance is three years from issuance of the Notice to Proceed.

1.2 Background

The Municipality of Anchorage (MOA), Project Management and Engineering Department (PM&E), designs and builds public works projects that provide a safe, convenient, and efficient transportation network throughout the MOA. Voter-approved bonds fund this project, which includes roads and drainage improvements.

1.3 Questions

Any questions regarding this proposal are to be submitted in writing to:

Municipality of Anchorage
Purchasing Department
wwpur@muni.org

For ease of identification please identify the RFP number in the subject line of any correspondence.

Purchasing Office hours of operation are: 8:00 a.m. to 5:00 p.m. local time Monday through Friday, excluding Municipal holidays. All questions must be received prior to the deadline indicated on the RFP cover letter.

1.4 Preparation Costs

The Municipality will not be responsible for proposal preparation costs, nor for costs including attorney fees associated with any (administrative, judicial or otherwise) challenge to the determination of the highest ranked Proposer and/or award of contract and/or rejection of proposal. By submitting a proposal each Proposer agrees to be bound in this respect and waives all claims to such costs and fees.

2.0 RULES GOVERNING COMPETITION

2.1 Examination of Proposals

Proposers should carefully examine the entire RFP and any addenda thereto, and all related materials and data referenced in the RFP. Proposers should become fully aware of the nature of the work and the conditions likely to be encountered in performing the work.

2.2 Proposal Acceptance Period

Award of this proposal is anticipated to be announced within 60 calendar days, although all offers must be complete and irrevocable for 120 calendar days following the submission date.

2.3 Proposal Format

Proposals are to be prepared in such a way as to provide a straightforward, concise delineation of the Proposer's capabilities to satisfy the requirements of this RFP. Emphasis should be concentrated on:

- Conformance to the RFP instructions.
- Responsiveness to the RFP requirements
- Completeness and clarity of content.

2.4 Signature Requirements

All proposals must be signed (electronically through BidExpress or manually/ DocuSign) by an officer or other agent of a corporate vendor if authorized to sign contracts on its behalf; a member of a partnership; the owner of a privately-owned vendor; or other agent if properly authorized by a power of attorney or equivalent document. Signature on the "Letter of Transmittal" (See Para 4.3.4) will meet this requirement.

Failure to sign the Proposal is grounds for rejection. The name and title of the individual(s) signing the proposal must be clearly shown immediately below the signature.

2.5 Proposal Submission Requirements

2.5.1 Electronic Submission through BidExpress

2.5.1.1 Bid Express :: Municipality of Anchorage

OR

2.5.2 Submission through Sealed Envelope

2.5.2.1 ONE ORIGINAL, single sided unbound of the proposal must be received by the Municipality prior to the date and time specified in the cover letter.

2.5.2.2 IN ADDITION to the copies required by paragraph 2.5.2.1 above, provide a flash drive containing a PDF copy of the complete proposal, including attachments.

2.5.2.3 All copies of the proposals shall be submitted in a single sealed cover which shall be plainly marked as a Request for Proposal Response with the Number and Title prominently displayed on the outside of the package.

2.5.2.4 Proposals must be delivered or mailed to:

Physical Address
Municipality of Anchorage
Purchasing Department
632 W. Sixth Avenue, Suite 520
Anchorage, AK 99501

2.5.3 Faxed or emailed proposals will NOT be accepted.

2.6 News Releases

News releases by or on the behalf of any Proposer pertaining to the award resulting from the RFP shall not be made without prior written approval of the Municipal Purchasing Director.

2.7 Disposition of Proposals

All materials submitted in response to this RFP will become the property of the Municipality of Anchorage. One copy of the submitted material shall be retained for the official files of the Purchasing Department and will become public record after award of the Contract.

2.8 Oral Change/Interpretation

No oral change or interpretation of any provision contained in this RFP is valid whether issued at a pre-proposal conference or otherwise. Written addenda will be issued when changes, clarifications, or amendments to proposal documents are deemed necessary by the Municipality.

2.9 Modification/Withdrawal of Proposals

A Proposer may withdraw a proposal at any time prior to the final submission date by sending written notification of its withdrawal, signed by an agent authorized to represent the agency. The Proposer may thereafter submit a new proposal prior to the final submission date; or submit written modification or addition to a proposal prior to the final submission date. Modifications offered in any other manner, oral or written will not be considered. A final proposal cannot be changed or withdrawn after the submission date, except for modifications requested by the Municipality after the date of receipt and following oral presentations.

Modifications to electronically-submitted proposals may be made any time prior to the proposal deadline using BidExpress.

2.10 Late Submissions

PROPOSALS NOT RECEIVED PRIOR TO THE DATE AND TIME AND AT THE LOCATION SPECIFIED IN THE RFP COVER LETTER WILL NOT BE CONSIDERED AND WILL BE RETURNED UNOPENED.

2.11 Rejection of Proposals

The Municipality of Anchorage reserves the right to reject any or all proposals if determined to be in the best interest of the Municipality.

A contract award will not be given to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with federal OMB guidelines.

2.12 Equal Employment Opportunity Contract Compliance

2.12.1 Every municipal contract shall include language substantially the same as the following: "The contractor will not discriminate against any employee or

applicant for employment because of race, color, religion, national origin, ancestry, age, sex, sexual orientation, gender identity, marital status, or physical or mental disability. The contractor will comply with all laws concerning the prohibition of discrimination including, but not limited to, Title 5 and Title 7 of the Anchorage Municipal Code.”

2.12.2 Every municipal contract shall state, in all solicitations or advertisements for employees to work under the contract, that all qualified applicants will receive consideration for employment without regard to race, color, religion, national origin, ancestry, age, sex, sexual orientation, gender identity, marital status, or physical or mental disability.

2.13 Confidential/Proprietary Information

The content of proposals will be kept confidential until the selection of the Contractor is announced. At that time, the selected proposal is open for review to the competing proposers only (except for information properly identified as being proprietary). After the award of the contract, all submitted proposals shall become public information except for properly identified proprietary information. If a proposer wishes individual pages, which contain actual business, proprietary information to be held confidential, each page must be marked and an explanation furnished of its proprietary nature. In addition to marking individual pages, the Proposal’s Cover must also be annotated with the words "THIS PROPOSAL CONTAINS PROPRIETARY INFORMATION". "Confidential and Proprietary" information is not meant to include any information which, at the time of disclosure, is generally known by the public and/or competitors. MOA’s ability to treat information submitted as confidential is limited by Anchorage Municipal Code. Proposers concerned with the confidentiality of information submitted should familiarize themselves with the following Anchorage Municipal Code provisions:

AMC 3.90	Access to Public Records
AMC 3.90.010	Policy
AMC 3.90.020	Definitions
AMC 3.90.030	Information Available to the Public
AMC 3.90.040	Exemptions for Particular Records

2.14 Disadvantaged Business Enterprise (DBE) Compliance

No DBE participation goals have been established for this project, but the Contractor must undertake a Good Faith Effort to include DBE participation. Instructions are contained in Attachment D of this RFP and made a part hereof. FAILURE TO SUBMIT THE REQUIRED DBE FORMS MAY RENDER THE PROPOSAL NON-RESPONSIVE. A list of currently approved DBE Contractors may be obtained by contacting:

Alaska DOT Civil Rights Office
2200 E. 42nd Avenue

PO Box 196900
Anchorage AK 99519-6900
907-269-0851
907-269-0847 Fax

3.0 SCOPE OF WORK

3.1 Project Description

In late October 2021, a large rainfall event washed out a section of Ruane Road where California Creek crosses beneath it– the only access route to the Girdwood Wastewater Treatment Facility (WWTF) Girdwood Transfer Station. The Municipality of Anchorage (MOA) received emergency approval to install temporary culverts to provide access to the WWTF; these culverts remain in place at this time. Attachment B provides a Project Location Map of the culvert replacement and the WWTF at the end of Ruane Road.

California Creek is an anadromous fish stream that provides habitat for Chinook, coho, pink, sockeye, and chum salmon. The Fish Habitat Permit issued by the State of Alaska Department of Fish and Game for the temporary repair includes the stipulation that: “The temporary culverts shall be removed and replaced with a permanent structure designed, installed, and maintained to accommodate the efficient passage and movement of fish, both upstream and downstream.”

Ruane Road was washed out when the California Creek water flow exceeded culvert capacity during an extreme storm event. An existing 16-inch ductile iron sanitary sewer main that carries flow to the WWTF was undamaged. The emergency repair placed two, 60-inch CMP culverts to carry California Creek under Ruane Road; the sewer main was stabilized during the backfill operation and a passable road exists. The effort also produced survey control, topographic field surveying and base mapping of the project area post-construction (Attachment E)

To address both the structural need for a permanent solution and comply with permit stipulations, this project will replace the temporary culverts with a fish passage structure that will provide safe, long-term access to the Girdwood WWTF as well as accommodate movement of the multiple species of salmon found in California Creek.

3.2 Project Scope

In 2023, the Anchorage Water & Wastewater Utility (AWWU) was granted Federal funding from the U.S. Environmental Protection Agency’s (EPA) FY 2023 Appropriations Act for multiple Community Grants projects, which includes the Ruane Road Culvert Replacement project. Community Grants projects are designated for the planning, design, and construction of drinking water, wastewater, and stormwater infrastructure and for water quality protection.

The project funded with this grant will replace the temporary CMP culverts with a fish passage structure with capacity to carry California Creek hydraulic loads. This will provide structurally secure vehicle access to the Girdwood WWTF and Transfer Station, ensure integrity of the sewer line that crosses California Creek within the access road right-of-way, and fulfill the regulatory requirement to allow natural fish movement within California Creek.

To accomplish this, the MOA's PM&E Department, in coordination with Girdwood Valley Service Area (GVSA) personnel, will administer the project to completion.

3.3 Scope of Professional Services

The scope of services of the initial contract may include up to design and construction support services, depending on the consultant's fees and available funding. An amendment may be issued to perform any remaining scope item not covered under the initial contract upon receipt of future funds. The types of professional services required by this RFP may include, but not necessarily be limited to:

1. Preliminary engineering investigations which may include supplemental design surveys, geotechnical investigation, utility research, hydraulic evaluations, and environmental permitting. Note: In adherence to the National Environmental Policy Act (NEPA) for environmental reviews, the project was determined to be an EPA-eligible Categorical Exclusion (CATEX). A CATEX and Extraordinary Circumstances Review Form, dated December 23, 2024, is provided as Attachment C.
2. Preparation of a design study memorandum that evaluates the site conditions and presents recommendations on fish passage culvert improvements. The study will also address construction cost estimates, permitting requirements, right-of-way requirements and utility conflicts.
3. Implementation of a public participation process to inform and involve affected residents and property owners.
4. Preparation of preliminary and final plans, specifications, estimates, bidding documents and bid-phase support.
5. Development of utility conflict reports and relocation agreements.
6. Researching property ownership and development of right-of-way documents and provision of technical support during acquisitions.
7. Provide assistance during construction including reviewing submittals, responding to requests for information, providing design revisions as needed, and maintaining conformed construction plans.

- 8. Construction inspection and/or engineering support services.
- 9. Provide record drawings.

Project Development Schedule

The proposed project schedule is:

Preliminary Engineering	2026
Design Study Memorandum	2026
Design	2026/2027
Construction	2027

3.3 Federal Requirements

Because the project is funded through the EPA, the project will be administered in adherence to requirements of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards (2 CFR 200).

The selected consultant will comply with all applicable terms and conditions of the EPA and all applicable state and federal regulations. This includes regulations and policies related to nondiscrimination, equal employment opportunity, lobbying, as well as any agreements between the Municipality of Anchorage and the EPA. See EPA General Terms and Conditions and Appendix II to Part 200 (Attachment F), EPA Debarment Certification (Attachment G), and EPA Lobbying Certification Form (Attachment H).

4.0 PROPOSAL AND SUBMISSION REQUIREMENTS

To achieve a uniform review process and obtain the maximum degree of comparability, it is required that the proposals be organized in the manner specified below. Proposals shall not exceed ten (10) pages in length (excluding letter of transmittal, resumes, title page(s), index/table of contents, required attachments, or dividers). One page shall be interpreted as one side of single-spaced, letter size (8 1/2" X 11") sheet of paper, or its electronic equivalent. Excess pages will be removed prior to evaluation, which could result in incomplete responses and lower scores.

Proposals should not include any use of the municipal seal. The use of the municipal seal (Logo) is limited by code AMC 8.30.085.a.b. which states.

AMC 8.30.085 – Use of Seal without permission prohibited.

- A. Pursuant to section 1.40.030 unauthorized use of the municipal seal is prohibited.
- B. Upon conviction, unauthorized use is punishable by fine of not more than \$500.00, or by imprisonment for not more than six months, or by both.

4.1 Title Page

Include the RFP number and subject, the name of your firm, address, telephone number(s), name of contact person, contact information (phone number, email address), and date.

4.2 Table of Contents

List the proposal's sections with page numbers. Include the RFP Evaluation Criteria.

4.3 Letter of Transmittal (Limited to one (1) page).

- 4.3.1 Briefly state your firm's understanding of the services to be performed and make a positive commitment to provide the services as specified.
- 4.3.2 List your company's contract for this RFP along with their phone number and email address.
- 4.3.3 Give the name(s) of the person(s) who are authorized to make representations for your firm, their titles, address, email, and telephone numbers.
- 4.3.4 **The letter of transmittal must be signed by a corporate officer or other individual who has the authority to bind the firm.**

4.4 Evaluation Criteria

Proposals shall address the following:

4.4.1 Project Scoping

1. Demonstrate your comprehension of the objectives and services for the proposed contract. Include understanding of project need and a description of conditions or observations that support the development of the scope of work.
2. Confirm if the professional services and schedule in Section 3, Scope of Work, is achievable as presented. Or explain any potential issues which may affect the project scope and present strategies that may be beneficial for successful project delivery.

4.4.2 Project Methodology and Approach

Provide detailed information on the firm's methodology in meeting the scope of work requirements. Present your work plan and overall approach to meet project goals and objectives. Provide at a minimum the following:

1. A methodology and approach that is tailored to the project's goals and objectives.
2. Project specific considerations that influence work plan components. An example includes using a limited geotechnical program that builds upon existing soils information.
3. Proposer's knowledge and experience with PM&E's project development process, as described in PM&E Design Criteria Manuals and MOA planning documents.

4.4.3 Project Team

Present the proposed project team and only include individuals who will actively participate in technical project activities. Provide the following information:

1. Name the individuals to perform the project activities and describe the work to be performed by the individuals. Detail their specific qualifications and substantive experience directly related to the proposed contract.
2. For each person named, identify their: employer, professional discipline or job classification, state of residency. List three professional references (contact persons and current telephone numbers) for each person.
3. Organizational chart of the project team.

4.4.4 Project Control

1. Describe management approach for communicating with the Municipality of Anchorage and with the project team regarding project work plan, progress status, budget, and schedule.
2. Provide information on capacity of staff resources available to your firm and the ability to adjust staffing levels in response to potential project scope or schedule changes.
3. Detail your firm's quality control process and other methods proposed to guide a project toward success.

4.4.5 Experience

Describe previous projects the project team members have worked on that are related in size and scope to this project. Provide the construction contract dollar amount, a brief narrative of the successes of the project, and the year of completion. Address how the experience will help your team to perform under this contract. Provide references (contact name and current phone number for

each project). Indicate which of the proposed firms and project staff was involved in each project.

4.4.6 Public Involvement

This section should focus specifically on the public involvement approach and methodology, more specifically:

1. Outline a project-specific public involvement program that is appropriate to the anticipated public interest in the project.
2. Proposed public involvement lead person.
3. Experience with controversial projects.
4. Previous experience in the geographical area.
5. Methodologies for obtaining public comment and for disseminating design information.

4.5 Fee Schedule

A Fee Schedule is not required with the proposal as it will not be used in the evaluation. After proposals are evaluated and scored, the highest rated Proposer will be required to provide a fee schedule to show direct labor rates, indirect labor rates, (General and Administrative (G&A) expense; overhead, fringe benefits, insurance, etc.) and proposed profit in a tabular format for the personnel to be utilized on this contract.

Payments for Other Direct Costs (EXPENSES) will be made for actual substantiated costs that are directly chargeable to and necessary for performance of services assuming they are not recovered through the Indirect Cost Rate. "Markup" of Expenses is prohibited. This does not include mark-up on subconsultants, which will be negotiated and treated as a fixed fee.

After contract negotiations are complete, the selected contractor will provide a fully loaded fee schedule for all services required for the performance of the work. This fee schedule shall be all inclusive of all direct labor rates, indirect labor rates, and profit, and will become an appendix to the contract, which will become public information.

5.0 EVALUATION CRITERIA AND PROCESS

5.1 Evaluation Criteria Weighting

The criteria to consider during evaluations, and the associated point values, are as follows:

1. Project Scoping	20 points
2. Project Methodology and Approach	20 points
3. Project Team	25 points
4. Project Control	10 points
5. Experience	15 points
6. Public Involvement	<u>10 points</u>
Total Points Available	100 points

5.2 Qualitative Evaluation Criterion

Firms will be ranked using the following qualitative rating factors for each RFP criterion:

1.0	Outstanding
.8	Excellent
.6	Good
.4	Fair
.2	Poor
0	Unsatisfactory

The rating factor for each criteria category will be multiplied against the points available to determine the total points for that category.

EXAMPLE: If an evaluator decides that the response provided for a criterion that has a maximum of 30 points was “Good,” they will assign a “qualitative rating factor” of 0.6 to that criterion. The qualitative rating factor is then multiplied by the maximum points available (30) for a resultant 18 points.

5.3 Evaluation Process

A committee of individuals representing the Municipality of Anchorage will perform an evaluation of the proposal(s). The committee will rank the proposal(s) as submitted. The Municipality of Anchorage reserves the right to award a contract solely on the written proposal.

The Municipality also reserves the right to request oral interviews with the highest ranked firms (short list). The purpose of the interviews with the highest ranked firms is to allow expansion upon the written responses. If interviews are conducted, a maximum of two (2) firms will be short-listed. A second score sheet will be used to score those firms interviewed. The final selection will be based on the total of all evaluators' scores achieved on the second

rating. The same categories and point ranges will be used during the second evaluation as for the first. The highest ranked Proposer after the second scoring, if performed, may be invited to enter into final negotiations with the Municipality for the purposes of contract award.

6.0 SELECTION PROCESS

The Proposer with the highest total evaluation points may be invited to enter into contract negotiations with the Municipality of Anchorage. If an agreement cannot be reached, the second highest Proposer may be contacted for negotiations. This process may continue until successful negotiations are achieved. However, the Municipality reserves the right to terminate negotiations with any Proposer should it be in the Municipality's best interest. The Municipality of Anchorage reserves the right to reject any and all proposals submitted.

7.0 SAMPLE CONTRACT

All Proposers must carefully read and review the attached Sample Contract (Attachment A). The final Contract with the Municipality of Anchorage will be substantially similar to it.

If a Proposer wishes to make changes to the Sample Contract, the proposed changes must be submitted with the proposal. All desired changes must be submitted in a separate document, and must be clear, legible, and conspicuous. The Proposer must also provide the rationale for all changes. No changes will be considered until after the highest scored proposal(s) has been determined.

IF NO CHANGES ARE SUBMITTED WITH THE PROPOSAL, IT IS UNDERSTOOD THAT THE TERMS AND CONDITIONS OF THE SAMPLE CONTRACT HAVE BEEN ACCEPTED.

8.0 ATTACHMENTS

Attachment A	Sample Contract
Attachment B	Project Location Map
Attachment C	Categorical Exclusion and Extraordinary Circumstances Review Form, dated December 23, 2024
Attachment D	DBE Specifications for Municipal Contracts
